Dear Sir/Madam,

Bland Shire Council is fully in favour of recycling as many products as it can, however, the collecting of containers in a country shire and delivering them to the nearest recycling plant is a highly costly activity, one which council has been endeavouring to do for a number of years. Lately, however, the cost has been rising to the level where the council is close to where it cannot afford to continue. A National Container Deposit Scheme would go a long way to aiding the shire in its continuing efforts to recycle, and, therefore, Bland Shire Council supports a National Container Deposit Scheme.
